Victor,

Do you want me to get in touch with Virginia and Kirby to set up a call next week to go over the landfill issue, the new approach we're taking with managing the emails and possibly talk to them about the bark issue? Are there any other things we should give them a heads up to?

Let me know and I'll see when they might be available for a call. I'm sure they don't plan to be in Libby during the April meeting week so if you wanted to meet with them, you'd probably have to drive over to Kalispell. If you'd rather do that, let me know. I'm going to be very busy in Libby when I'm up there so I won't join you if you head to Kalispell. I'm participating in the CIC training, we have the homeowner kickoff meeting, and I'm in the process of setting up some one-on-one meetings with a few homeowners.
